I have pictures of Andrew and Anna Baldinger if would like to have a copy. You can find some information on Andrew and two of his sons in the book History of Texas, I found it on the internet Heritage Quest online Book Print. Also there was some information about Frederick P. Bleike the father of Anna Lousie Bleike Baldinger.

I will search out your website, Thanks !

Hi Charla,

Did you find my genealogy site? If so, create an account there and you should be able to see quite a bit of information about Andrew and Anna and their descendants. I'd be quite interested in learning more about Andrew's ancestors.

Frederick Sr is here:

<http://genealogy.ravensbeak.com/getperson.php?personID=I227&tree=mueller>

As you can see, I don't have a lot of information about the Baldingers in place yet. My aunt Gayle and Uncle Ed have quite a bit more than I'm hoping to get uploaded, but I don't think they have much at all on your branch.

Regards,

Good morning Bob Mueller,

My name is Charla Baldinger Arnold, my father's name Frederick Andrew Baldinger . His dad was Frederick Andrew Baldinger Jr. and my mother was Viola Mary Louise Froehlich Baldinger.

I'm going to try to find more information about Andrew Baldinger who married Anna Catherine Wild.

I have lots of information about the family but it stops at Andrew who came from Switzerland.

I would like to talk with you about the family.

Please feel free to email me or call me.

I live in the Seabrook area for years.
